## Weak Women

To weak and ailing women, there is at least one  
way to help. But with that way two treatments  
must be combined. One is local, one is constitu-  
tional, but both are important, both essential.  
Dr. Shoop's Night Cure is the local.  
Dr. Shoop's Restorative, the Constitutional.  
The former—Dr. Shoop's Night Cure—is a topical  
mucous membrane suppository remedy, while Dr.  
Shoop's Restorative is wholly an internal treat-  
ment. The Restorative reaches throughout the  
entire system, seeking the repair of all nerve,  
all tissue, and all blood ailments.  
The "Night Cure," as its name implies, does its  
work while you sleep. It soothes sore and inflam-  
ed mucous surfaces, heals local weaknesses and  
discharges, while the Restorative, eases nervous  
excitement, gives renewed vigor and ambition,  
builds up wasted tissues, bringing about renewed  
strength, vigor, and energy. Take Dr. Shoop's  
Restorative—Tablets or Liquid—a general tonic  
to the system. For positive local help, use as well  
the system.

## GATHERED IN

Were Two Men By the City Police-  
men and the Mayor Im-  
poses Penalties.

When Mayor Crile looked down  
from the throne of justice in city  
hall this morning at the time for  
holding a regular session of police  
court he espied two men awaiting  
trial. They said their names were  
Stark Dawson and Fritz Shoulin.  
Both had been arrested the evening  
before for wobbling around in the  
streets of the city in a drunken con-  
dition. The Mayor found them both  
guilty and fined them \$5 and costs  
each. Fritz paid up and was re-  
leased, but Dawson didn't have the  
coin and was sent over to the bastille  
for five days in default.

## SLAG SUBSTITUTED

For Gravel on Carr Avenue by City  
Council at Special Meeting.

The city council in special session  
last night changed the order re-  
quiring gravel to be used in the bed of  
the Carr avenue street paving, the  
contractor having brought to the at-  
tention of the council that much de-  
lay would be experienced in getting  
the gravel. The council decided to  
use slag from the Grasselli chemical  
works, which, it is claimed, will  
make a fine substitute for gravel.  
The members of council present at  
the meeting were Lynch, Wood, Rob-  
bins, Ernst, Johnson and Cork.
